File No. AH/366/2024

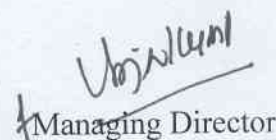

Dated: 06.03.2024

Pre Bid Meeting

In connection with the the purchase of a Next Generation Sequencing(NGS) platform, a Pre-bid meeting of OEM's/authorised dealers of NGS platform is arranged at KLD Board Head office, Pattom, Thiruvananthapuram on 26/03/2024 at 11:00AM. Interested parties may participate in the meeting with all relevant details. We anticipate whole hearted cooperation and participation of all OEM's/Authorized dealers of Next Generation Sequencing(NGS) platform world wide in the pre-bid meeting. If any firm is not able to attend the pre-bid meeting, it will not be a disqualification for participation in the actual bid.

Name of the equipment - High throughput Next Generation Sequencing platform with ancillary equipments and software for analysis of diverse genomes

Intended use of the equipment - High resolution next generation sequencing for diverse sequencing applications such as DNA, RNA, targeted RNA expression(pathway analysis), Chip, Small RNA, Metagenomics, Small genomes, amplicons, target region enrichment, whole exome sequencing, transcriptome analysis , Parentage Identification etc. The equipment should be suitable for use with multiple species.
